

## **Instructions for viewing resumes of students who have received a referral for your job posting:**

1. Log into I-Link
2. Place your mouse over "My Jobs" and then click on "Job Lists"
3. From the list of job postings, select the position you wish to view
4. Click the bold "R" on the right hand side to see students who have received referrals
5. Click on "Select All" and then click "Create Packets"
6. This will create a packet of resumes for you to view
